New School Term Begins in June

Rakesh Paul – School Principle

Rakesh Paul, the principle of the Oberst Christian Academy (NACEA School), writes the following: “The school is doing very good and final exams are in progress. The ground floor of the new block has been occupied by the lower kindergarten and upper kindergarten. The computer lab is still yet to be equipped. We believe and trust that the Lord will bless us with all the needs. We thank you for your dedicated prayers and support which is making all this possible for the glory of God. New admissions have started and already 50 children have written applications for the coming academic year. We are in need of another bus and we pray the Lord will bless us with His work at the school. Kindly pray for all the work going on in the school.”

NACEA Students & Teachers gathered for Convocation

T.B. Paul in his monthly report, states the following: “This year we are applying for permission up to 10th grade in NACEA School from the Education Department of Andhra Pradesh Government. We need to establish Computer lab and Science lab. We need to purchase computers and science equipment. Kindly pray for this need. We thank God for the school is enabling so many poor children to get studies in English medium for their better future, besides our Christian Home children. We are expecting more than 200 new admissions this academic year making the total strength of the around 600. We need more student desks for the classrooms. Kindly pray for this need also. The school is also enabling us to reach to new villages and families with the word of God and to make a Christian foundation in the lives of many Hindu children.”

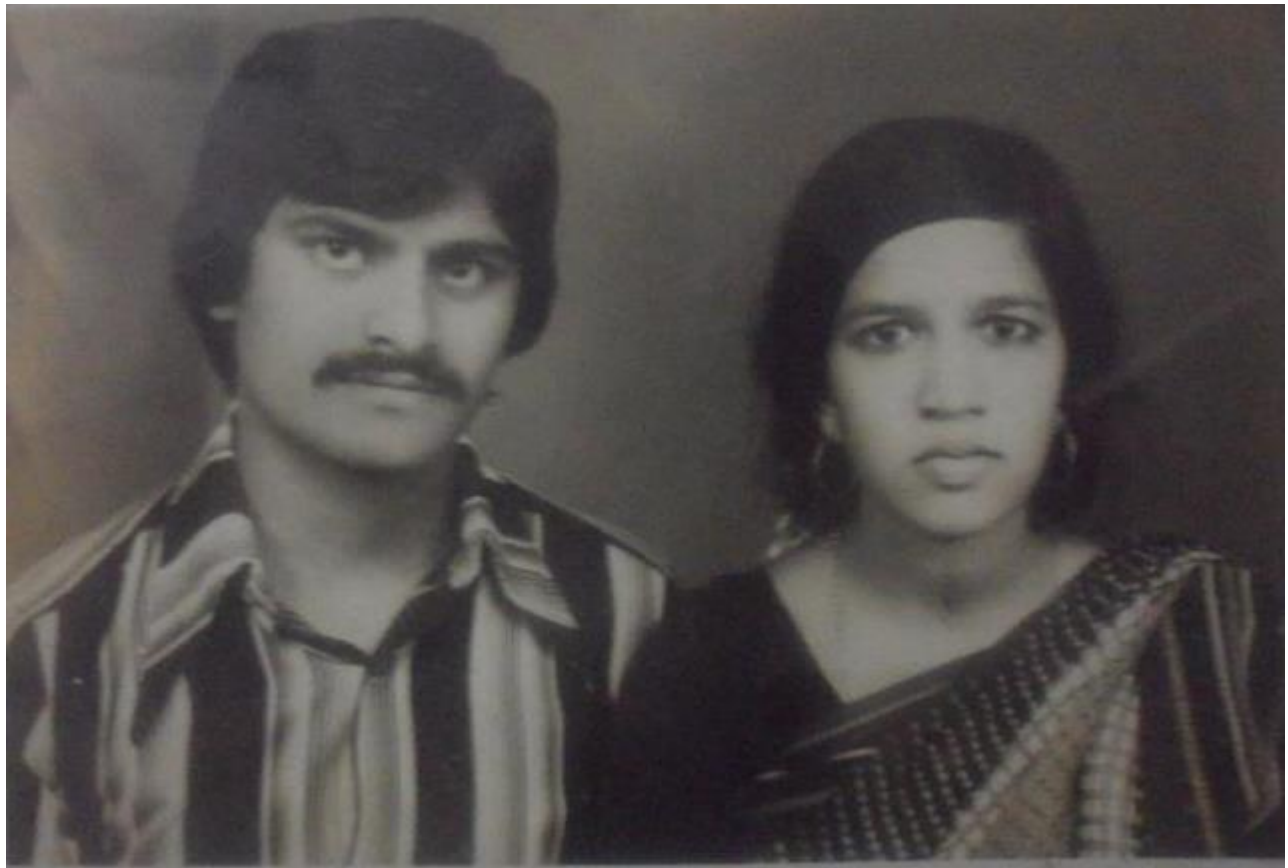

T.B. & Rani Paul to be at ICOM

November 17th - 20th – Lexington, KY

<http://www.theicom.org>

The ICOM is being held in Lexington, Kentucky at the Convention Center from Thursday, November 17 through Sunday, November 20. NACEA will be at booths 1909 and 1911. **T.B. & Rani Paul** plan to be at the booth to meet with you and discuss all the great work going on in Andhra Pradesh, India. Please plan to attend! The theme this year is “MOBILIZE: Disciples Making Disciples”. The ICOM president states “Jesus said, “Go and make disciples.” Yet too often the message we communicate to seekers of Christ is to “come and hear.” This strategy has not been as successful as we had hoped, so we need to go back to the biblical blueprint and base our efforts on the model of Jesus. We need to take the time to make disciples who can teach others how to make other disciples.”

Oberst Christian Academy Happenings

Rakesh Paul – School Principle

Upper Kindergarten (UKG) consists of mostly children ages 4 or 5. The Oberst Christian Academy (NACEA School) has two classes of UKG for a total of nearly 70 children. Mike & Kathy Harker, Tim & Mary Norris, and Krystal & Ruby Chestnut made several visits to the school during the mission trip in January of this year. The teachers made great use of the blackboards and of oral recitation. The team was very impressed with the work that the children had done in their schoolbooks. During the visit, the children sang several songs complete with motions to the team. The children were very polite to us and well behaved.
